

BULGARIAN SOCIETY OF
CARDIOTHORACIC RADIOLOGY

BULGARIAN ASSOCIATION
OF RADIOLOGY (BAR)

ANNUAL SCIENTIFIC AND EDUCATIONAL MEETING

INNOVATIONS IN CARDIOTHORACIC RADIOLOGY

13-14 May, 2011, Sofia

SPONSORS

Tokuda Hospital Sofia

Software Company Ltd

GE Healthcare

FRIDAY 13 MAY

08.00 - 08.30	Registration
08.30 - 09.00	Opening ceremony
08.30 - 08.40	Welcome speech – <i>V.Stoinova</i>
08.40 - 08.50	Introduction of newly established Bulgarian Society of Cardiothoracic Radiology – <i>G.Kirova</i>
08.50 - 09.00	European Diploma Cardiac Imaging – <i>J.Bremerich</i>
09.00 - 11.00	Session 1: New frontiers in cardiac imaging and dose reduction Moderator: <i>V.Stoinova</i>
09.00 - 09.30	Basic principle of cardiac MRI – <i>J.Bremerich</i>
09.30 - 10.00	Cardiac CT. How could we reduce the dose? – <i>R.Petkov</i>
10.00 - 10.30	CT spectral imaging and ultra low dose scanning - <i>GEHC</i>
10.30 - 11.00	High concentration contrast media in cardiac and vascular CT – <i>F.Sabino, BRACCO</i>
11.00 - 11.30	Coffee break
11.30 - 14.00	Session 2: Anatomy and physiology for radiologists Moderator: <i>R.Petkov</i>
11.30 - 12.00	Heart anatomy for radiologists – <i>G. Kirova</i>
12.00 - 12.30	Heart physiology for radiologists – <i>K.Kjuchukov</i>
12.30 - 13.00	ECG for radiologist - <i>V.Velchev</i>
13.30 - 14.00	Standardized reading and reporting of CT/MRI cardiac exam – <i>L. Natale</i>
14.00 - 15.00	Lunch
15.00 - 15.30	Session 3: Acute coronary syndrome Moderator: <i>I.Petrov</i>
15.00 - 15.30	Calcium scoring. Clinical and prognostic value - <i>M.Oudkerk</i>
15.30 - 16.00	Noninvasive coronary angiography – <i>K.Genova</i>
16.00 - 16.30	CAD in the asymptomatic patients: first results of the GROUND study – <i>M.Oudkerk</i>
16.30 - 17.00	Postprocedure noninvasive evaluation of coronary arteries – <i>E.Valcheva</i>
17.00 - 17.30	Coffee break
17.30 - 18.30	Session 4: Case presentation session Moderator: <i>M.Penkov</i>
17.30 - 17.40	<i>T.Velinov, Varna</i>
17.40 - 17.50	<i>G.Hadjidekov, Sofia</i>
17.50 - 18.00	<i>I.Vasilev, Pleven</i>
18.00 - 18.10	<i>A.Trifonov, Sofia</i>
18.20 - 18.30	<i>V.Grudeva, Sofia</i>
19.30	Welcome cocktail, Hotel Arena di Serdika

SATURDAY 14 MAY

08.30 - 10.00	Session 5: Myocardial viability Moderator: <i>V.Velchev</i>
08.30 - 09.00	Stress tests. Terminology. Principles. Techniques – <i>J.Bremerich</i>
09.00 - 09.30	Assessment of myocardial viability. Clinical impact – <i>V.Stoinova</i>
09.30 - 10.00	Nuclear medicine assessment of myocardial viability – <i>M. Garcheva</i>
10.00 - 10.30	Coffee break
10.30 - 13.30	Session 6: Imaging of the lung. Interstitial lung diseases Moderator: <i>N.Stoeva</i>
10.30 - 11.00	Postprocessing. How to do it and when we need it? – <i>Peter van Ooijen</i>
11.00 - 11.30	What radiologists should know about lung's physiology – <i>A.Simidchiev</i>
11.30 - 12.00	Radiological patterns of interstitial affection – <i>A.Oikonomu</i>
12.00 - 12.30	Interstitial pneumonias-when imaging matter? – <i>B.Penev</i>
12.30 - 14.00	Lunch
14.00 - 15.30	Session 7: Solitary pulmonary nodule. Lung cancer Moderator: <i>B.Penev</i>
14.00 - 14.30	Solitary pulmonary nodule – <i>A.Oikonomu</i>
14.30 - 15.00	Pulmonary carcinoma. The new staging system – <i>G.Kirova</i>
15.00 - 15.30	PET-CT – new era in the nodule assessment – <i>E.Piperkova</i>
15.30 - 16.00	Coffee break
16.00 - 17.00	Session 8: Case presentation session Moderator: <i>G.Kirova</i>
16.00 - 16.10	<i>N.Hristovski, Sofia</i>
16.10 - 16.20	<i>D.Baleva, Varna</i>
16.20 - 16.30	<i>M.Penkov, Sofia</i>
16.30 - 16.40	<i>C.Dobrev, Sofia</i>
16.40 - 17.00	Closing ceremony
