I am delighted to have the opportunity to invite you on behalf of the Bulgarian Association of Ultrasound in Medicine to the upcoming XXI National Congress of Ultrasound in Medicine September 13 - 16, 2018, Congress Center of Club Riviera, Golden Sands.

The annual Ultrasound Congress provides a chance for leading ultrasound diagnostic experts to share priceless expertise to experts in various fields of the medicine. The most modern approaches in the medical practice will be subject to each one of the scientific sessions during the congress. Last but not least, the Medical exhibition will unite leading companies with the latest technological advances in medical equipment for ultrasound diagnostics and pharmaceutical achievements.

We believe that once again our meeting during the Congress will contribute with new contacts, useful scientific discoveries and will help the development of the medicine in Bulgaria.

We wish everyone a successful participation in the Congress and we look forward to see you in 2018!

Sincerely,

Dr. Rumiana Mitova
